Local Board No. 22

Wenatchee, Washington

Dear Sirs:

In reviewing my draft board file several questions have come up which I would appreciate clarification on.

Following the August 8, 1955 personal appearance before the board was I sent a Classification Card (SSS Form No. 110)? According to a letter in my file dated August 26, 1955 I was apparently sent one, but if I was I did not receive it. The last Classification Card I received is dated July 14, 1955 (I-A).

I have been waiting for the decision of the Appeal Board and to date have received none. Has the Appeal Board acted on my case? If so would you kindly inform me of the results.

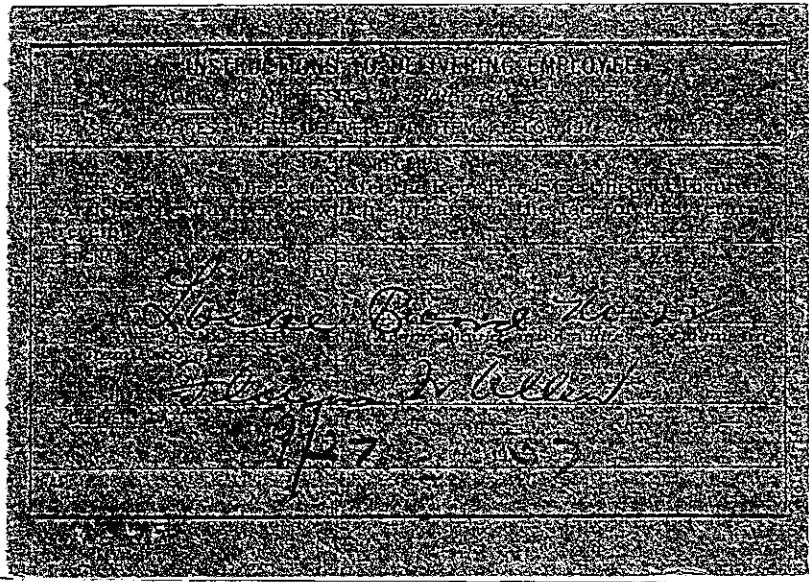

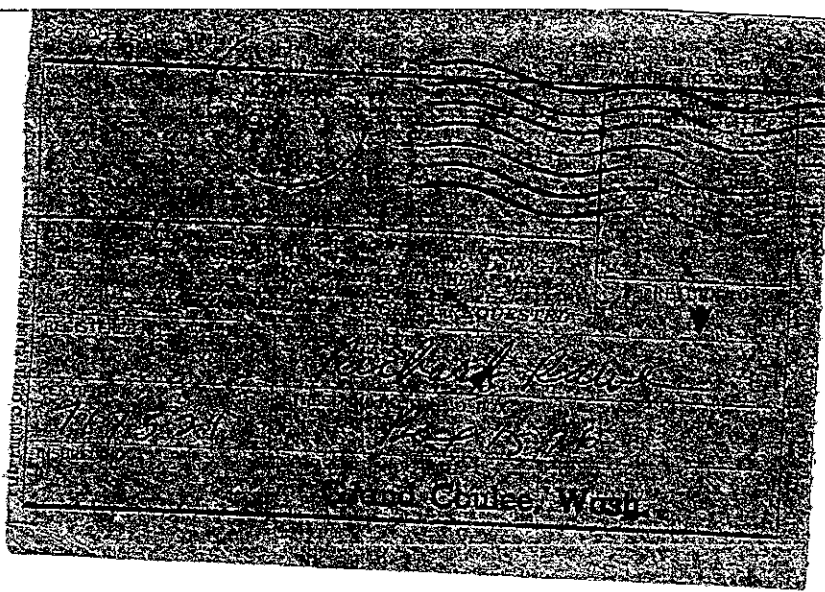

In your September 11, 1957 letter it was not clear as to whether or not I was to appear before the local board in the November meeting or if I was just to submit written information. If it is proper I would also like to appear before the board at that time. Please notify me as to the date of that meeting when you have decided on it.

Sincerely yours,

Richard Rawe
